QUALITY POLICY

Top management and all employees are committed to on time delivery at competitive prices of heat treated products in accordance with customer's and other applicable requirements. We are also committed to continual improvement of the quality management system.

Modern hardware, professionally trained staff and many years of experience enable us to meet requirements from the customers and interested parties and the set quality policy based on the ISO 9001 standard.

Director STEEL d.o.o.

Matjaž Meglič
